The MAGA Psyop on often genuine people has been aimed at gathering sceptics and pushbackers together to rally behind Trump as a ‘saviour’ so they could be destroyed as a potent force in exactly the way that is happening. Trump always had contempt for them as he serves his masters in Israel and the billionaires of Silicon Valley. Look at who funded him into office for a start.

I have long warned that pathological liar Trump was a fraud since he appeared on the political scene in 2016. It wasn’t a popular stance to say the least with MAGA in search of a saviour, but I still feel sad for them because **many were genuine in their opposition to tyranny.** They have been **disgustingly betrayed** by the MAGA media ‘stars’ who have outrageously misled them in their lucrative promotion of Trump and we should not forget that those who have now jumped ship were enthusiastically prominent in getting this transparent liar over the line to wreak the very havoc from which they now seek to distance themselves.

Others still outrageously double down, but their credibility is shot and as Trump’s star fades – so does theirs. Quite right, too. I expose the MAGA media fakery in my new book, The Road Map.

MAGA has ZERO momentum.

None.

The most amazing thing is that Democrats did not defeat it.

Neither did Russia, or China, or any of the other nations that we're told we're supposed to hate.

It was Trump!

He tore MAGA to pieces.

Betrayal after betrayal, hiring the craziest people (again) and an obsession with doing everything for Israel. Trump crushed his own movement.
